

DURON™ RECOMMENDED FOR NAVISTAR.

DURON™ **THE TOUGHER.** THE BETTER.™

LUBRICANTS

Beyond today's standards.™

Navistar is a global leader in diesel heavy duty trucks and engines, trusted by operators around the world.

Wherever you depend on Navistar equipment, your Navistar equipment can depend on DURON™ next generation heavy duty diesel engine oils. Driven by API CK-4 and FA-4, it's the most durable, most protective, most advanced product line we've ever made.

Which is why DURON is recommended for Navistar.

In your Navistar engines, our new DURON product line is ready to help protect your reliability, extend drain intervals*, and even cut your fuel costs.

DURON. Recommended for Navistar, whatever the challenge.

THE TOUGHER. THE BETTER.™

DURON RECOMMENDED FOR NAVISTAR ENGINES

	DURON	API Level	Approval
Conventional Oil	DURON HP 15W-40	API CK-4	Approved
Synthetic Blend Oil	DURON SHP 15W-40	API CK-4	Approved
	DURON SHP 10W-30	API CK-4	Approved
Synthetic Oil	DURON UHP 10W-40	API CK-4	Approved
	DURON UHP 5W-40	API CK-4	Approved
	DURON UHP 5W-30	API CK-4	Approved
	DURON UHP 0W-30	API CK-4	Suitable for use
	DURON UHP 0W-40	API CK-4	Suitable for use
Advanced Synthetic Blend Oil	DURON ADVANCED 10W-30	API FA-4	Approved

API CK-4 - supersedes API CJ-4 and previous categories, delivering higher performance levels and backwards compatible for older engines.

API FA-4 - an even more advanced lower viscosity oil that delivers better fuel economy in next generation diesel engines.

* Extending drain intervals should always be undertaken in conjunction with an oil analysis program.

THE FULL DURON PRODUCT LINE FOR NAVISTAR ENGINES

DURON next generation heavy duty diesel engine oils are formulated to exceed API CK-4 and FA-4 requirements

DURON^{HP} 15W-40

DURON HP 15W-40 is a High Performance heavy duty engine oil that delivers all-weather engine protection including dependable cold start-up and exceptional shear stability. It can deliver extended drain capabilities (exceeding OEM standard intervals)*.

DURON^{SHP} 15W-40

DURON SHP 15W-40 is a Super High Performance synthetic blend heavy duty engine oil that delivers exceptional performance. Outstanding shear stability combined with superior wear protection helps deliver comprehensive protection to vital engine parts over a wide range of operating conditions. DURON SHP 15W-40 is designed to handle more demanding operations, as well as extending drains.

DURON^{SHP} 10W-30

DURON SHP 10W-30 is a Super High Performance synthetic blend heavy duty engine oil that delivers advanced engine protection and all-weather performance. It provides optimal engine durability and can deliver up to 1%** fuel economy improvement. DURON SHP 10W-30 keeps its fresh oil properties longer allowing for extended drains (versus OEM standard intervals)* and reduced need for top-up oil.

DURON^{UHP} 10W-40

DURON UHP 10W-40 is an Ultra High Performance synthetic all-weather heavy duty diesel engine oil. It is formulated to provide exceptional protection against engine wear and extended drain performance (exceeding OEM standard intervals)* even in the harshest operating conditions and maximum allowable load conditions. It combines superior pumpability and shear stability with excellent engine wear control. DURON UHP 10W-40 can potentially help improve fuel economy through ease of start-up, lower viscous drag and avoidance of the need for idling.

DURON^{UHP} 5W-40

DURON UHP 5W-40 is an Ultra High Performance full synthetic heavy duty engine oil that provides excellent protection and performance, especially in low temperature environments. It helps conserve energy and reduces engine wear through ease of cold weather start-up and lower viscous drag.

DURON^{UHP} 5W-30

DURON UHP 5W-30 is an Ultra High Performance synthetic all-weather heavy duty diesel engine oil formulated to provide fuel economy benefits and exceptional protection against engine wear and extended drain performance (exceeding OEM standard intervals)* even in severe operating conditions.

DURON^{UHP} 0W-30

DURON UHP 0W-30 is formulated with extreme cold service in mind. It is an Ultra High Performance heavy duty engine oil with top performance additives and high quality synthetic base oils that can help users extend oil drain intervals*.

DURON^{UHP} 0W-40

DURON UHP 0W-40 is an Ultra High Performance heavy duty engine oil specially formulated with a high performance additive system in combination with high quality synthetic base oils. DURON UHP 0W-40 may be used in extended oil drain interval service in extreme cold climates*.

DURON^{ADVANCED} API FA-4

DURON ADVANCED 10W-30 is a synthetic blend heavy duty diesel engine oil formulated to the highest API diesel standards for 4-Stroke engine oils and is suitable for use in extended oil drain service. Extending drain intervals should always be undertaken with good operating practices and maintenance programs including an oil analysis program. FA-4 provides additional fuel savings over CK-4 of the same grade, up to 1%**.

* Extending drain intervals should always be undertaken in conjunction with an oil analysis program.
** Comparing an SAE 10W-30 with 3.5cP HTHS vs a 10W-30 with 3.1cP HTHS.

API CK-4 - supersedes API CJ-4 and previous categories, delivering higher performance levels and backwards compatible for older engines.

API FA-4 - an even more advanced lower viscosity oil that delivers better fuel economy in next generation diesel engines.

Extreme Temperature

Fuel Economy

OUR NO-NONSENSE LUBRICANTS WARRANTY

“Petro-Canada will repair damaged equipment, or replace damaged equipment parts resulting from a failure due to defects of the Petro-Canada lubricant, as long as the lubricant is used in accordance with your equipment manufacturer’s and our recommendations.”

It’s more than just a warranty. It’s a commitment.
