AN HF SINCLAIR BRAND

23 December 2025

TO: Whom it may concern
RE: Sanctions Compliance

Dear Sir or Madam,

Herewith we would like to confirm that Petro-Canada Lubricants International, a part of HF Sinclair Corporation, complies with the following:

- 1) Effective January 21, 2026, Article 3ma of Council Regulation (EU) No 833/2014 prohibiting the import into the European Union of petroleum products that have been produced in a third country using crude oil originating in or exported from the Russian Federation. This prohibition applies regardless of whether the refining occurred outside of Russia.
- 2) None of the petroleum products supplied under HS 2710 in 2025 or that we will supply from this date forward by PCLI have been or will be produced using crude oil (HS Code 2709 00) originating in or exported from the Russian Federation.
- 3) We have conducted appropriate due diligence to verify the origin of the crude oil used in the production of such products, including obtaining credible documentation and assurances from our upstream suppliers.

Yours sincerely,

Alexander Panov, Ph.D.
